

# LUBRI-CLEAN

## Technical Data Sheet

foam cleaning & lubricating system

### Description

Lubri-Clean is a foam cleaner that dissolves gun and tank foam before it cures. It is used to clean and lubricate guns as well as clean foam from unwanted areas. Lubri-Clean is an essential accessory for gun maintenance.

### Typical Uses

Lubri-Clean Foam Cleaner is used to clean foam from guns as well as areas where foam is undesired.

### Preparation

Proper installation of the cleaner on a foam gun is essential. It simply screws on just like a foam can. You can also use the included plastic straw to use it anywhere else you may have undesired foam.

### Size

Disposable can is 12oz (340ml). 12 cans per case.

### Application

Please refer to the general cleaning instructions on the rear side of the can.

### Storage

Store cleaner in a dry place. Do not expose cleaner to flames or temperatures which exceed 120°F (49°C).

### Health and Safety

Do not mix with other chemicals. Do not swallow. Do not breathe fumes. Avoid all contact with eyes. No smoking. Do not puncture. Do not burn. Keep out of the reach of children. Not to be used by children. Wear a mask. Use only in a well ventilated area. Keep away from flames and pilot of the items sparking such an electric motor. Keep away from heat sources.

### First Aid

Contains acetone and liquefied petroleum gas. If swallowed call a poison control center or doctor immediately. Do not induce vomiting. In case of contact with eyes, rinse with water for at least 15 minutes.

### Technical Support

IPF is supported by exceptional technical support. If you need technical support, call our toll free line at 1-800-565-9936
